Certificate of required school attendance form

The affidavit confirms that the adult who signs the form joins the application for the permit and will be responsible for the actions of the secondary driver. It must be signed by a parent, adopting parent living at the same address as the applicant, legal guardian or grandfather authorized by the parent, adopting parent or guardian. The appropriate adult must sign the form in the presence of a driving licence examiner, OR, if for some reason the adult cannot come with the applicant to the driver's test station, you can download the form. The form must be signed by the appropriate adult and the signature has been contributed. Note: the signature MUST be notarized by a notary if the adult cannot accompany the applicant to the driver's test station. Only then can the form be accepted without the presence of the adult. If the grandfather and grandmother assume financial responsibility for the youth, the grandfather and grandmother must bear a notarial declaration allowing this, signed by the parent, adopting parent, guardian or guardian, as appropriate. The declaration does not need to be on a section form, but it should be in the following general format: I can authorize _____(name of grandfather and grandmother) to sign for a driver's license for _____(name of minor). Signature: _____(name and relationship of the adult granting the permit) [Certificate of notary] Proof of schooling Applicants under 18 years of age must prove that they are enrolled in the school and make good progress. If they have already graduated, they must bring with them the high school diploma or the G.E.D. certificate. The form is only valid for 30 days. If a student aged fifteen or over leaves school or does not make sufficient academic progress, the school is obliged to inform the Department of Security. This suspends the student's driving rights. The first time a student resigns, he can regain the privilege of driving back to school and making good academic progress. However, there is no second chance. The second time a student leaves he or she must wait to become 18 years old before being eligible to apply.
